

BEAUTY is in the details

THE OFFICE & FACILITIES

If Dr. Leber's practice could be summarized in a single concept, it would be attention to detail. From the extensive collections of before-and-after photographs, to the beautiful views, it is clear that great care goes into every endeavor. The office is set on a 10-acre medical campus in Paradise Valley, with state-certified operating rooms and nursing-staffed overnight facilities. The practice also offers a full-service laser center and med spa, where patients can receive the latest non-surgical procedures. Visit us online at www.BevHillsDoc.com.

PLASTIC SURGEON

beauty is in the PROCESS

EXCEEDING EXPECTATIONS

Your journey begins with a thorough and informative consultation. Dr. Leber carefully listens to your goals, questions and concerns. After reviewing photos and discussing options, a personalized surgical plan is created. You will come away with confidence, and a clear understanding of the possibilities and limitations of each procedure.

Dr. Leber is dedicated to your comfort and safety, and uses the latest techniques to achieve surgical excellence. He then uses an artistic perspective to achieve the most beautiful and natural-looking improvements, while minimizing discomfort and recovery time.

Post-operative visits allow us to monitor your healing process and ensure you are satisfied with your results.

ABOUT the doctor

GEOFFREY E LEBER, MD, FACS

Dr. Leber is Board certified by the American Board of Plastic Surgery as well as the American Board of Surgery. He specializes in aesthetic plastic surgery of the face

and body. Dr. Leber is a member of the American Society of Plastic Surgeons, a Fellow of the American College of Surgeons and has been included in the Consumers' Research Council's Guide to America's Top Physicians.

Dr. Leber was trained in Beverly Hills, which has allowed him to offer the most advanced aesthetic techniques in Arizona. An admitted perfectionist, his objective is to deliver outstanding results that consistently exceed his patients' expectations.

Liposuction

FACE and nose

PROCEDURES OF THE FACE

FAT GRAFTING

Replenishes facial fat lost during the aging process in the cheeks, lips, lower lid-cheek junction and/or nasolabial creases.

FACE & NECK LIFTS

Rejuvenates the lower face and/or neck by reducing facial wrinkles, jowels and excess neck skin.

RHINOPLASTY

Creates a natural, balanced look.

BLEPHAROPLASTY

Reduces excess upper eyelid skin folds and excess fat pockets below eyes for a well-rested look.

OTHER PROCEDURES

Brow Lifts, Chin Implants, Ear Surgery (Otoplasty), Neck Liposuction, Trauma, and Perioral Rejuvenation (Mouth & Lips)

NON-SURGICAL

BOTOX®, Sculptra® and a variety of Injectable Fillers are available.

Rhinoplasty

BODY and breasts

PROCEDURES OF THE BODY

BREAST AUGMENTATION

Creates a fuller bustline and a curvier silhouette with a natural look.

BREAST LIFT OR REDUCTION

Done with or without implants, Dr. Leber's "Dermal Wing Mastopexy" or "Dermal Wing Reduction" acts much like an internal bra and creates beautiful cleavage. Size and shape are matched to each body for a natural look of balance.

TUMMY TUCK

Dr. Leber's advanced technique lowers and narrows the waistline, while giving the tummy a firm, toned and natural shape.

LIPOSUCTION

Re-contours parts of the body with hereditary fat deposits.

OTHER PROCEDURES

Breast Revision, Labia Reduction, Arm Lift, Thigh Lift, Lower Body Lift, and Buttock Lift

Tummy Tuck
